The meaning of the parable of the wheat and the weeds is that it is a parable describing the way the kingdom of God is revealed alongside the kingdoms of earth.

God's intention is to let both grow, demonstrate their fruit, and so demonstrate whether they are wheat or weeds.

Only after they have grown their full fruit does he sift them between assigning them to God's kingdom or eternal damnation.

It is an absolutely beautiful experience being a member of the community and to be an integral part of the Mass, Worship and Communal Life.

In the heart of our ministry is our calling from Jesus to love God with all our heart, soul, mind, and strength in addition to loving our neighbours as ourselves. We believe the best way to follow Jesus with others is through forming community and sharing our faith.

Emmaus Bereavement Group (Autumn) - At whatever stage you are at in your Bereavement journey it can feel a very lonely place. Dealing with the loss of a loved one. Whenever you feel the need to talk don't be afraid to reach out and ask for help from those who care. For those of you who wish to join there will be a new Emmaus Bereavement Group starting in the Autumn. There will be a time to share – a time to listen to others – a chance to support – a chance for a fully agreed confidential journey as a group. Facilitator will be Fr Robbie and it will be held on the 2nd Wednesday in the month at Hassop and the 4th Wednesday of the month in Matlock, both starting at 7pm. You can choose to attend either, or both groups. More information will be available in September.

Sanctuary Lamp - If you would like to sponsor the Sanctuary lamp in memory of a loved one or for a 'special intention' please place the details and date wanted in an envelope with a £5 donation and clearly note 'Sanctuary Lamp' on the outside. This can be placed in the offertory collection basket. The lamp will burn for a full week From Sunday to Saturday, and the intention will be published on the Newsletter.

This week Fr Robbie celebrates his 15-year priestly ordination anniversary which falls on the Feast of Saints Joachim & Ann, the parents of Our Blessed Virgin Mary. Please keep him in your prayers.

Ukraine: Monks remain with parishioners unable to flee - Two monks in war-torn Kherson, southern Ukraine, have spoken about their decision to remain and minister to the sick and elderly - despite knowing each day could be their last. Father Ignatius Moskalyuk, rector of the Basilian Monastery of St Volodymyr the Great, told Aid to the Church in Need (ACN) that he refused to abandon his remaining parishioners even during the catastrophic flooding after the destruction of the Nova Kakhovka Dam. Fr Moskalyuk said: "Those who stayed behind were the elderly, the sick and also the young who had nowhere else to go, as well as those who had been caught in Kherson by the war. We cannot leave these people alone." The Ukrainian Greek Catholic monastery helps people by distributing aid and providing pastoral care for those in need. The faithful also continue to visit the monastery to ask for the sacraments of baptism, marriage and confession, according to the Basilian monk. He said: "Every day we have around 25 or 30 people receiving communion at Mass, including young people and children. This fills us with joy. The sacrifice that [my fellow monk] Brother Pious and I made during the occupation is now bearing fruit." www.indcatholicnews.com

The Third Annual World Day for Grandparents and the Elderly
The Vatican has announced that this will take place this year on 23rd July, the Sunday before the feast of Saints Anne and Joachim, the grandparents of Jesus, and the theme for the day, selected by the Pope, will be **“His mercy is from age to age”** (Lk 1:50).

The World Day of Grandparents and the Elderly is an opportunity to proclaim once more, with joy, that the Church wants to celebrate together with all those whom the Lord ~ in the words of the Bible ~ has “filled with days”. Let us celebrate it together! Seek out those elderly persons who feel most alone, at home or in residences where they live. Let us make sure that no one feels alone on this day. Expecting a visit can transform those days when we think we have nothing to look forward to: from an initial encounter, a new friendship can emerge. Visiting the elderly who live alone is a work of mercy in our time!
