When I am travelling or when I have to wait..., I take the Gospel from my pocket, or from my bag and I read something; or at home. And Jesus speaks to me, Jesus preaches to me there. It is the Word of Jesus. And we have to get accustomed to this: to hear the Word of Jesus, to listen to the Word of Jesus in the Gospel. To read a passage, think a bit about what it says, what it is saying to me. If I don't feel it is speaking to me, I move to another.

But to have this daily contact with the Gospel, to pray with the Gospel; because this way Jesus preaches to me, He says with the Gospel what He wants to tell me. I know people who always carry it and when they have a little time they open it, and this way they always find the right word for the moment they are living in. This is the first thing I wanted to say to you: let the Lord preach to you. Listen to the Lord.

And Jesus heals: let yourselves be healed by Jesus.

We all have wounds, everyone: spiritual wounds, sins, hostility, jealousy; perhaps we don't say hello to someone: "Ah, he did this to me, I won't acknowledge him anymore". But this needs to be healed!

"How do I do it?". Pray and ask that Jesus heal it".

World Day of Prayer - Bakewell Methodist Church - Friday 2p.m. on 1st March 2024 This year, it is our (R.C) turn to lead this ecumenical service. The theme is ‘I beg you, bear with one another in love’. The service has been prepared by the Christian Women of Palestine who ask us to connect with the land in which Jesus was born, ministered, and died. There will be a speaker (Rev Alison Cox) who has just returned from Christian church work in the West Bank. Everyone is welcome to attend. Refreshments are available after the service.

Care Pods are coming to our community church...

A **Care Pod** - is a group of parishioners who can support each other in prayer and in action during times of need and in friendship. Care Pods will be organised around preferred Mass times, and it is our desire that every person and family who attends church will sign up to be a member of a Care Pod. The expectation is that as small groups we can pray for each other, meet small needs, support a significant event, perhaps an offer a lift to Mass if needed, and to remember and celebrate each other’s special days. The world in which we live has become isolated for many, especially since Covid. We must support each other and nurture community. There will be a form handed out next weekend where Care Pods can start to be created. The Care Pod can be as you wish to make it, and maybe it not for everyone – but it may help us all to move towards a better understanding of Missionary Discipleship.

“Bear one another’s burdens, and so fulfil the law of Christ.”

**A Word from
Pope Francis**

[There] are different ways of realizing God's design, the one he has for each of us that is always a design of love. God always calls. And the greatest joy for every believer is to respond to this call, offering one's entire being to the service of God and our brothers and sisters.
